CELEBRATING **25** YEARS OF DEDICATION TO OUR COMMUNITIES' HEALTH

Building a Healthier Yavapai County

The Yavapai Regional Medical Center Foundation supports vital programs and services at Yavapai Regional Medical Center (YRMC), as well as new equipment, facilities improvements, and special projects. Donor support has enabled the establishment of our Baskin Breast Care Center, James Family Heart Center, Family Birthing Center and many other programs.

All our fundraising efforts are aligned with YRMC's mission to build a collaborative, accessible, and compassionate healthcare network in our community. Your partnership helps provide the highest quality healthcare right here at home. Together, we can build a healthier Yavapai County!

How You Can Help: Become a Community Partner

We invite you to join our Community Partner Program. This is a great way to make a meaningful difference while gaining recognition for your business and commitment to our community.

The most impactful way to contribute is through a gift to our Community Care Fund. This fund is flexible and ensures that your donation is used where it's needed most. If you would like your gift to support a specific program that aligns with your interest, you can designate it on our commitment form. 100% of your donation benefits patients and families through YRMC's programs and services.

Recognition Levels

Each donation level offers unique recognition opportunities, so everyone in our community knows the difference you are making.

- **Honor - \$20,000**
- **Hope - \$10,000**
- **Trust - \$5,000**
- **Kindness - \$2,500**
- **Friend - \$1,000**

Special Recognition Benefits

You will find details of the recognition benefits on the next page, including exciting opportunities like:

- Featuring your business in YRMC Foundation *Connections* magazine
- Recognition in *Prescott Daily Courier*
- Recognition on the YRMC West Outpatient Services Building Donor Wall

Thank you for helping us build a healthier, more compassionate community!
